Natural look & feel

The Style collection is all about the details. Feel that **real wood structure** and see the wonderful natural colours and tones. It's a combination of research, engineering and craft resulting in this feeling of real wood, with all the benefits of **BerryAlloc vinyl planks**.

Thermally stable, yet light & rigid

Our patented foamed structure of the **rigid composite board** ensures a lightweight product with great **thermal stability**. It's the perfect product for your panoramic windows and floor heating.

The options are just endless

Our unique 360° interlocking **DreamClick®** system offers an extremely fast (up to 2x faster) and easy installation and endless possibilities to install creative, unique patterns.

Waterproof

Style is **waterproof** so go ahead and install it in your bathroom. Need an easy to clean floor in the kitchen? Just give it a sweep with a mop and it looks as good as new. Anything you'd like to do, Style is up for it.

Made in Belgium

Style is designed, developed and made in Belgium. Our team is perfectly able to control the process and guarantee the **high quality** of this product.

Lifetime warranty

We believe a Style floor will add character to your interior for many years to come. That is why we promise you a lifetime warranty for residential use.

Phthalate free

You can relax and breathe easily, because all Style products are 100% phthalate free. Our **indoor air gold** certificate speaks for itself.

Sustainable product

Our RCB board contains **80% of recycled and mineral materials**. On top of that Style also is 30% lighter than other products, saving on materials and transport. Great for your back and **CO2 reduction**. And don't worry if you want to replace it after many, many years of use, Style is **fully recyclable**.
