Needle Felt

ISO 9001: 2015 CERTIFIED
ISO 14001: 2015 CERTIFIED

A dark grey, rectangular needle-felted mat is placed on a light-colored wooden floor. The mat is positioned in front of a white door, which is slightly ajar. To the left of the door, a green wall and a white baseboard are visible. A potted plant in a yellow pot is partially visible on the far left. The word 'MATS' is written vertically in large, bold, black capital letters on the right side of the image.

MATS

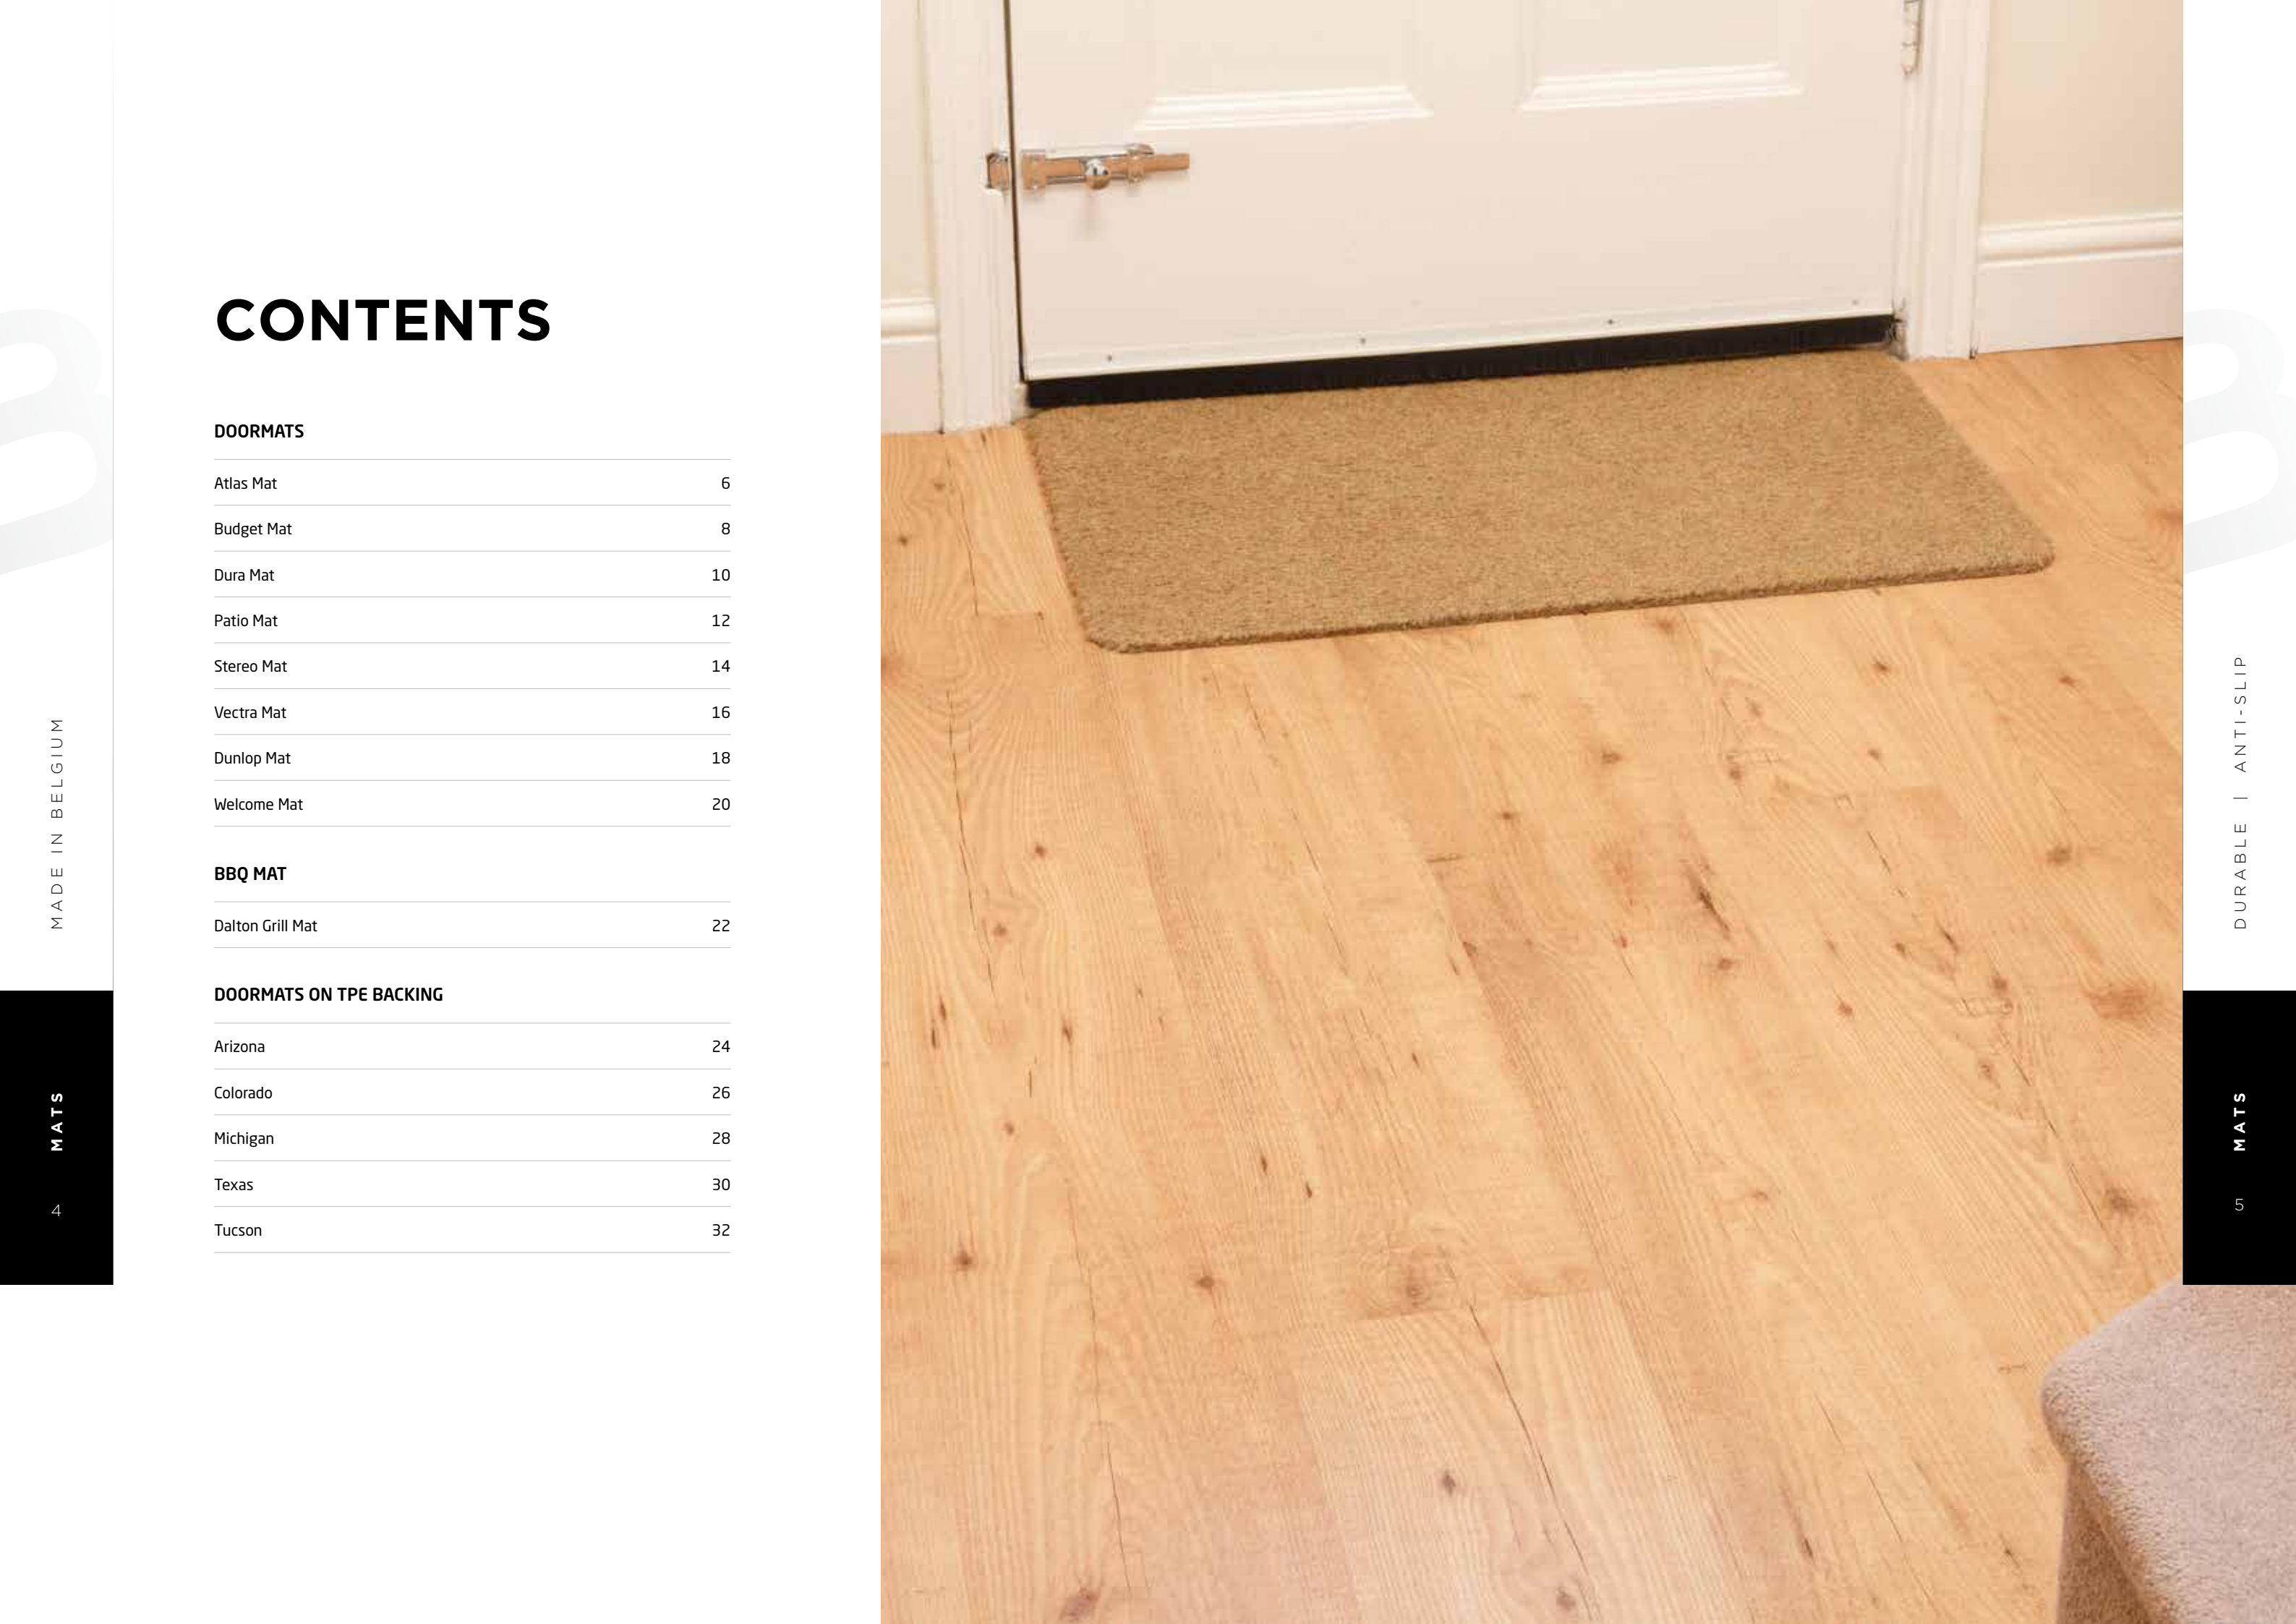

About Beaulieu International Group (B.I.G.)

As a global family business, we develop and co-create - in an innovative, entrepreneurial and sustainable way - flooring and material solutions to enhance the quality of living and working for every generation. Headquartered in Belgium, B.I.G. employs over 4.900 people worldwide in 19 countries throughout Eurasia, America and Oceania and serves customers in 150 countries. In 2022, B.I.G. reported sales of €2,4 billion.

At B.I.G., we work purposefully to build a sustainable future. Our sense of entrepreneurship and our ambition enable us to continue to grow together with our employees, customers, suppliers, shareholders and the society in which we operate. innovation and care for its employees central.
